

A bride and groom are shown in profile, kissing. The bride is wearing a white, short-sleeved, knee-length dress and silver high-heeled sandals. She is holding a large bouquet of flowers, including orange and white blooms. The groom is wearing a grey suit and a dark tie. They are standing in front of a stone wall with a window. The scene is decorated with autumn-themed items, including pumpkins and candles on small white pedestals. The text "YOUR DOWNTOWN HALIFAX WEDDING, REINSPIRED." is overlaid in white, bold, sans-serif font across the center of the image.

YOUR DOWNTOWN

The premier destination in Halifax for upscale micro weddings

Whether it's just the two of you, a mix-and-mingle with a few close loved ones, or an elaborate seated meal, Anemone is the micro wedding location of your dreams!

We are pleased to offer three different options for our space with three different capacities*:

- Standing cocktail functions with options for passed or stationary hors d'oeuvres, and/or grazing (up to 40 guests)
- Intimate seated dinners at one long table (up to 14 guests) or three separate tables (up to 18 guests)

From the lights, music and atmosphere to the menu and drinks, you can be involved in as much or as little of the planning process as you like.

One of our favourite parts of the planning process is helping you dream up the event of your dreams! Whether it's the menu for your special day, your custom cocktails or wine pairings, or the flowers and decor to fill the space. Through a collaborative design process, we can showcase your personality and style through a wide range of dishes (accommodating dietary needs), a curated drink selection, and a flexible space with all of the perfect touches for your big day.

Spoonfuls & Sips

Indulge yourself and your guests with an inspired gastronomic experience under the guidance of Chef Danielle Duguay and Stéphane Duval.

Founded by Duguay, Anemone was born from the idea that private dining and inspired celebrations should be available and accessible in Halifax's downtown core, no matter how small the event size. And since no wedding is complete without beverages, she partnered with Stéphane Duval to offer specially curated cocktail menus along with inventive approaches to classic cocktail techniques and recipes. Cocktails can also be accompanied by curated wines and additional drink offerings.
